Hindi Two Letter Words with English Meaning

Learn to read, recognise and write short Hindi words through familiar objects, clear English meanings and practical exercises.

What are two-letter Hindi words?

Two written Hindi अक्षर combine to form a meaningful word: ज + ल = जल (water). Words without dependent vowel signs are called बिना मात्रा वाले शब्द. Independent vowels, as in आम and एक, are not matras.

Inside: 100 matra-free words, words with matras, letter formation, sentence examples, printable worksheets and answers.

Common mistakes and practice tips

Check vowel signs: जल and जाल have different meanings. लिख and रुक contain matras, whereas पढ़ does not.

Count Hindi letters: घर has two written letters, although Ghar has four Roman letters.

Practise in groups: जल, फल, नल and हल share a final letter. Read five familiar words each day, match them to pictures, then write them from memory.

The following worksheets provide 50 practice questions. Complete them before consulting the answer key.
